

Calvary Community Church

Welcome to Kids Connection!

Every Sunday, something remarkable happens in our Kids Connection classrooms: children encounter Jesus. Whether your child is brand new to church or has grown up here, we're honored to walk alongside your family in raising the next generation of passionate Jesus-followers.

Our Purpose

Kids' Connection exists to partner with parents in making passionate followers of Jesus Christ of their children. Our mission is to connect kids to Jesus and His Church at every age level.

Our Core Values

Building a Strong Foundation in Faith

Jesus wants children to know Him and to grow in Him. Parents are the primary disciple-makers of their kids. Children are a vital and important part of Christ's Church. Adults are great influencers who help kids grow in Jesus.

The Importance of Children's Ministry

Children are not the church of tomorrow, they are a vital and important part of Christ's Church today. We believe every child deserves to know Jesus and grow in Him from their earliest years, which is why we invest in excellent teachers, safe facilities, and Christ-centered curriculum.
